Sir/Madam,

With reference to the subject mentioned and cited above, we would like to bring to your kind notice that, we have registered our college in AISHE Portal and have been continuously submitting the information in the AISHE Portal every year for award of certificate. Our college was given permission in the name of 'Sir C R Reddy College for Women' and orders were issued by the affiliating university and Government authorities in the name of '**Sir C R Reddy College for Women**'.

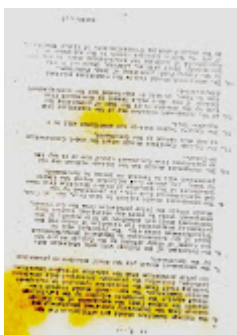

As,we are going for NAAC Accreditation in the coming year and as per the norms and standard procedure, the college name in all the certificates of the approving and certifying authorities need to be in the same format. As our college registration in the AISHE Portal was done as 'Sir C R R College for Women' instead of "Sir C R Reddy College for Women", we wish to make the necessary correction in the name of our college in the AISHE portal.

In this context, we humbly request for your kind support with regard to correction of our college name as "**Sir C R Reddy College for Women**" for which act of kindness we shall be thankful to you.

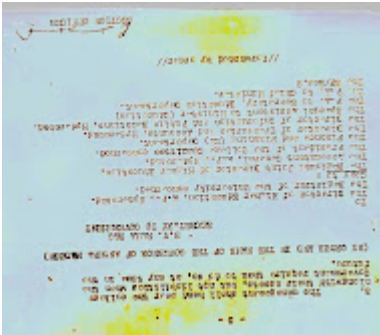

We hope for your extended cooperation.

Thanking you,
