

STRATEGIC PLAN (2018-2028)

In order to have a better structure to the strategic plan, the IQAC has developed FIVE Pillars of knowledge delivery encapsulating all our umbrella goals: They are:

- 1. Admissions & Selection:-** Enroll, educate and graduate the most promising, deserving an diverse student pool possible.
- 2. Academic System:-** Motivate all students with an education that is innovative, distinctive, and of the highest quality, and that instilling in them a zest for learning.
- 3. Faculty Excellence:-** Maintain and enhance efforts to recruit, nurture, and retain diverse faculty members who are the best teachers.
- 4. Student outcome:-** Improve our outputs by enhancing academic, excellence, creativity in and out students and thereby contribute to the betterment of society.
- 5. Infrastructure:-** Create a most modern and conducive educational environment which facilitates free thinking and efficiencies knowledge delivery system.

The IQAC will gather inputs from students, faculty, administrators and advisory committees regarding continued appropriateness of strategic goals and objectives. These inputs are collected during faculty meetings, meetings with student council and meetings with various statutory and advisory committees. IQAC will suggest changes to strategic goals and objective s as necessary.

MOTTO:

ENTER – ENDEAVOR – EXCEL

VISION: Ensuring Quality in Education by providing distinct environment of academic excellence with Social commitment and inculcation of values in young and aspiring minds.

MISSION:

We are committed to:

1. To develop application-oriented courses, with necessary inputs and values with a view to shaping the learners for all-round development.
2. To cultivate knowledge skills, values, and Confidence in the students to grow, thrive and prosper.

Goal -2: Augment the conduct of more Certificate courses, Exhibitions, Quizzes, Seminars, Interactions with academic / industrial experts, visits to institutions, industries etc.

Goal 3: General extension programmes will be coordinated by NSS/NCC/YRC/ RRC/WEC etc.

Goal 4: Commence vocational certificate / Diploma / Advance Diploma / Degree Courses. The proposed courses are related to Computer Science, Commerce, Mathematics, Botany, Zoology, Chemistry & Physics courses, Fisheries, Statistics etc.

Focus Area 4 : Introduction of New Programmes / Enrichment Courses

Goal-1: Implementation of zero hour for undertaking the employable Certificate / Diploma courses.

Goal-2: Initiating collaborative programmes between Depts. and between intuitions in most disciplines.

Goal-3: Strengthening orientation for empowering students.

Goal-4: Programmes that channel students towards research, crtial & creative thinking with innovative concepts.

Goal-5: Special programmes focus on unprivileged and valuable sections of the society.

Goal-6: Conduct of Green Audit of the campus with technical assistance from a professional / Govt. Agency and setting up a core team of skilled and professional trained faculty for the conduct of the same in future.

Goal-7: Develop & Train students in making market soaps detergents, cosmetics, herbal medicines. That would be free from harmful chemical agents and will contribute towards building a healthy society.

Goal-8: Faculty and students linkage and exchange programmes.

Focus Area 5: Setup a Community College

Goal-1: The Concept if 'Community College' is to provide access for suitable employment to the economically challenged youth of the nearby villages (Adopted) through a broad spectrum of Job oriented and skill based / Credit charged Diploma / Certificate courses they could choose from, on the basis of need demand and viability.

The proposed courses include certificate courses in

- Book Binding & Reprography
- Tailoring
- DTP
- Embroidery & Jewelry making
- Mushroom cultivation
- Organic farming
- Nursery & Gardening Practices
- Accounting & Tally
- Repair of Electronic & Electrical Equipment / items
- Bio fertilizers & Organic manure etc.

III. Strengthening Research & Development

Focus Area 1 : Identity Important areas of Research in all Depts.

Goal -1 : Selection of the Depts. for R & D activities.

Goal-2 : Identification of project leader for each project.

Goal-3 : Convene the meeting to select the area of research in each selected depts..

Goal-4 : Preparation of Project Proposal and submission to the Principal.

Focus Area 2 : Undertake & Evaluate the selected Research Projects

Goal-1 : Procurement of recurring & Non recurring materials required for the project.

Goal-2 : Identifying the resource persons to seminar / workshop planned.

Goal-3 : Apply for funding to agencies including the management.

Goal-4 : Preparation of Brochure and sending various colleges, organization, institutions to participate & present papers.

Goal-5 : Formation of various committees to organize seminar.

Goal-6 : Conducting the Seminar / Workshop

Goal-7 : Submission of the final report to funding agencies along with utilization certificates etc.

Focus Area 6: Offer consultancy Services to industries and Other client able group.

Goal-1 : Identification of the Industry / Corporation Sector.

Goal-2 : Discussion with the industries and signing MoU.

Goal-3 : Carryout the activities included in the MoU

Focus Area 7: Recruit Senior Faculty with required expertise

Goal-1 : Organize Personal contact / paper advertisement.

Goal-2 : Conduct interviews and recruit the eligible faculty.

Goal-3 : Assign R&D work as per their area of specialization and assign targets for Re. Publications etc.

3. Extending the social work domains of the collect

Focus Area 1 : Commencing programs for the welfare of local Women and unemployed Girls in adopted villages.

The aim is to make the Women and Girls of adopted villages empowered in computer and mobile application. The social work established by the college in Jalipudi – Adopted village is a vocational center that offers training in various skills like. DTP in Computer, Cutting & Tailoring, Embroidery, Glass painting, Making handicrafts items, Artificial bangles making etc. The center will continue to

conduct awareness programs about issues related to women and girls for the benefit of local women. Speak and communicate in English is also planned by the Depts. of English. The women empowerment cell C R Reddy college for Women regularly conducts awareness for local women & girls on various issues related to them. To live happy and lead healthy life.

Focus Area 2 : Adopting schools in the neighborhood for sharing knowledge and skills:

A few Depts. especially Science Depts. provide academic extension to the students of nearby schools these involve in giving practical orientation in the science laboratories on certain days in a week by visiting these schools or by deciding for these students to come to the college on Saturdays for availing the service.

In addition, exhibition will be held to the school's students by science depts. like Botany, Zoology, Physics, Electronics, Computers science, Geology and Chemistry, Quiz programmes are also planned and conducted by many depts. for school students some depts. have proposed to conduct orientation / refresher course to schoolteachers in the corresponding subject. Inter school competition on various items also planned.

Focus Area 3: “Undertaking non-academic, Philanthropic extension work at institution few the aged, sick and the disabled.”

Almost all the Depts. regularly undertake non-academic extensions for the aged, sick and the disabled. This involves regular visits after class hours or during weekends to provide housekeeping assistance, consolation conversations, entertainment programs like Bhakti songs, Cultural dance etc. apart from financial and material aid. Providing palliative care and donating blood are some of the other relief providing measures undertaken by the students and the faculty associations with NSS, NCC, YRC, RRC & WEC and other depts.

Focus Area 4: “Services of the faculty to be extended to other institutions in a faculty exchange programme”

A few Depts. of the college have been successfully conducting the exchange of the faculty for enhanced interaction and augmentation of knowledge in the prescribed curriculum / syllabus. Besides, the faculty of the college regularly give invited talks and offering their expertise as resource persons in national / international seminars / workshops conducted in other institution. These lendable practices are to be spread into all depts.. In such a way that at least one faculty exchange programme will be undertaken by a Dept. in every semester. An understanding will be reached regarding this will select institutions of the town and nearby ‘places / colleges’.
