

SIR C R REDDY COLLEGE FOR WOMEN, ELURU

PROSPECTUS (2018-2019)

FOREWORD

“When you educate one person you can change a life, when you educate many you can change the world”

The Management of the College has visualized and contemplated the importance of women's education especially the rural folk, who have been deprived of education and equal rights on par with men. The dream was translated into reality by establishing Sir C R Reddy College for Women at Vatluru village with a sprawling Campus enveloped with thick canopy of large arborous plant species facilities with academic ambience. In order to empower women, and to be self reliant in the Society, they have been imparted not only formal education but also to be abreast with skill development programmes and a good number of vocations that lead to employability and be competent crossing all hurdles and taboos in the society.

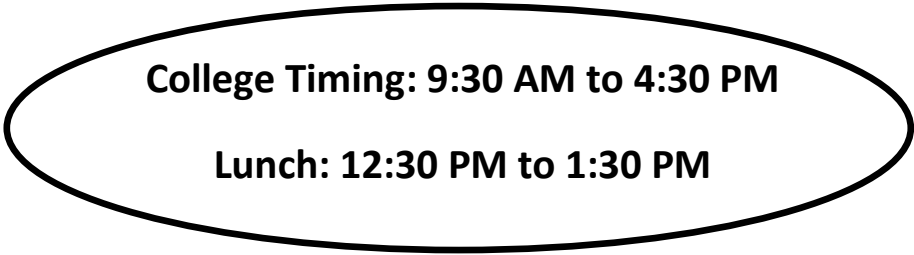

PRINCIPAL

ABOUT COLLEGE

The College was established with a vision and mission of imparting knowledge to women and providing an opportunity for pursuing higher education. Since then by the determined efforts and support of the management, encouragement and guidance of several philanthropists and complete involvement and hard work of the faculty the College has carved a niche for itself in the field of education.

Responding to the changing needs of the present day, the basic disciplines were multiplied into a range of subjects. The programs and courses are being re-organized, preparing and training the students to face the modern societal challenges so that they can compete with vigour and confidence when they step out of the College.
